ANOMIA
PARTY EDITION

Over 425 all new categories!

Think! Shout! Laugh!

Have you ever considered that our minds are positively brimming with all sorts of random information? Soap brands, pop songs, sports teams... Normally, it's easy to give an example of a farm tool, a cookie ingredient, or an Oscar winner—but be warned; you'll find that your brain works differently under pressure!

Anomia: Party Edition

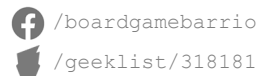

Anomia is simple. Players flip cards in turn until the symbols on two players' cards match. Matching players must race to give an example of the category on their opponent's card. Whoever blurts out a correct answer first wins their opponent's card and drawing continues. Sounds easy, right? Think again! Wild cards create unexpected matches, and even losing a card can set off a chain of cascading face-offs. Pay attention—it could be your turn at any time!
