

Operation

Place all organs in their cavities.

Place the rubber band in the cavity, but not hooked up.

Deal all Specialist cards, discarding leftovers.

Place Doctor deck in middle.

On your turn:

1) Draw a Doctor card

2) Attempt the operation

If you succeed, collect the fee and the piece.

- Place the Doctor card out of play.

If you fail, put the piece back in the cavity.

- Keep the Doctor card in front of you.
- The player with the Specialist card for that operation (if it's in play) can now attempt it.
 - **If they succeed** they get the piece and fee
 - Place both cards out of play.
 - **If they fail**, keep Specialist card
 - Doctor card to bottom of the deck

3) Play passes left of the Doctor

**Game ends when all
operations are completed.
Most money wins.**
