A FACE IS WORTH A THOUSAND WORDS

MAKE THE FACE THAT MATCHES YOUR CARD!

Mr. Face

After drawing a card from the deck, players make faces that match the theme written on their card. This can be done by taking a selfie or by using the various face parts that come with Mr. Face. The parts are limited, but with a little skill and ingenuity you could make a face that surprises everyone.

If players correctly guess which card matches the face, they win. Will you be able to successfully demonstrate what's on your card using only facial expressions?
