

Cosmocracy Print & Play

Rulebook: bit.ly/cosmocracyrules

While not required, if you choose to sleeve the cards, you may want to use different sleeve backs for the **Issue Cards** (red text) and the **Matter Cards** (blue text). You may also want to sleeve the Race cards together with the “PRO” on one side, and the “CON” on the other (though keeping them as separate cards still works just fine).

All of the **Issue Cards** have a blank space like this _____. Use the **Matter Cards** to fill in the blanks. While the rules mention sometimes filling in blanks with races, just use **Matter Cards** in this Print and Play.

Enjoy!
