The unofficial game board for GOD OF WAR – THE CARD GAME

by BGG user flowww82

I created a game board for a card game. Sounds stupid - but it helped my unexperienced & casual players a lot to get faster into the game.

It fits perfectly when printed on paper size **DIN A3**
which measures 29.7 x 42.0cm (11.69 x 16.53 inches).

Want to say thank you? I accept PMs, Snickers, Board Games... aaaand PayPal!

Just a non-profit fanmade game board for a card game. Dear CMON & Sony, please don't sue me. I just really like this game. Thank you.
